It Will Slip Through Your Fingers!

Don't let our \$2 00 SHOES escape you. It's the thing to wear and the time to wear it. We call it the "slipper shoe" and so will you if you try it. You will get more comfort out of it to the square inch than out of any other shoe to the square foot, and talking of the square foot, it does the square thing by the foot. It isn't any exaggeration to say that its cheapness is phenomenal. Every consideration of economy justifies its purchase and every consideration of comfort justifies its use. We never recommended a shoe that will do more to recommend itself. It won't try you much to try it.

For this Morning's Court.

Yesterday John Parks, George Weiss, Marion Quinn, Robert Ritchey, Marion Marinsky and Stonig Dinglish were arrested on the steps of the Tabernacle, on South street. They were "rushing the growler" in broad daylight. The charge of loitering about church premises was lodged against them. Frank Coyle was run in as a plain drunk.

Last evening Officer Carney ran in Leonard Swartz for disorderly conduct.

Will Accept if Nominated.

When Mr. H. F. Behrens, the well known grocer, was first suggested as a nominee on the Republican legislative ticket, he declined positively to be considered in that connection. Republican, principally business men, urged him to say that he would accept if tendered the nomination. Delegations of citizens of all classes agreed with him on the line of a public duty. Yesterday Mr. Behrens said that while he did not wish the nomination, he would yield his own desire to that of the party, and if nominated would go in to be elected.

Of Delegates Present—A District Union League Was Organized and Officers Elected—Constitution and By-Laws Were Adopted and Other Business Transacted—The Proceedings to Fall.

Representatives from eighteen Epworth League organizations met yesterday in this city and elected a district organization. The meetings, which were held morning and afternoon at the Zane Street M. E. church, were largely attended, in the aggregate about one hundred being present. The morning session was called to order at 10 o'clock by Presiding Elder Mick, of the M. After devotional exercises by ministers present the chairman stated the object of the meeting—to form a district organization, and named a committee on credentials as follows: Messrs.
